

INAUGURAL CARTER 'RUSH' WILLSON GOLF TOURNAMENT

Hole Sponsorship

Put your name on the course — and your support behind the cause.

Carter Willson was a young man just beginning his journey into adulthood. Sadly, at just 19 years old, Carter lost his life after a brief and courageous battle with cancer.

To honour Carter's memory and continue his legacy, the Carter RUSH Willson Memorial Bursary was established to support young hockey players pursuing post-secondary education or entering the skilled trades. Come out, enjoy a round of golf, and help us support a great cause. **All proceeds from the tournament will go toward the Carter RUSH Willson Memorial Bursary**, helping provide opportunities for young people as they begin the next chapter of their lives.
