

YOUR NEXT TEAM IS WAITING!

We're Hiring: Head/Lead Coaches – Hockey Development

Opportunities Available: Full-time, Part-Time, Casual, Travel Based Deployment Team

Are you passionate about developing elite hockey talent and leading from the front? Do you thrive in a high-performance environment where mentorship, innovation, and excellence are the standard? If so, RINK wants you on our team. We're looking for Head/Lead Coaches to deliver world-class on-ice programming, mentor coaching staff, and help shape the future of hockey development. Since 2009, RINK Training Centre has been rewriting the playbook on elite hockey development in Canada. Born in Winnipeg, built for excellence, and now expanding coast to coast we're not just training athletes, we're building game-changers.

What You'll Do:

- **On-Ice Leadership:** Lead and support high-quality training sessions across all levels, ensuring consistent delivery of RINK's coaching standards and mentoring development coaches.
- **Program Oversight:** Ensure programs align with RINK's development model and maintain coaching quality across sessions.
- **Coach Development:** Mentor and support coaches through training, feedback, and internal development initiatives.
- **Client Engagement:** Build strong relationships with athletes and families, providing clear feedback and personalized development plans.
- **Continuous Improvement:** Stay current with certifications and integrate innovative training methods to keep RINK at the forefront of hockey development.

Why Join RINK?

- Top Tier Compensation
- Health & Wellness Benefits
- Travel Opportunities
- Access to World-Class Facilities
- A culture that champions Growth

What We're Looking For:

- Proven experience in high-level hockey coaching and player development.
- Strong leadership and mentorship skills.
- A passion for helping athletes reach their full potential.
- Availability for a flexible schedule including evenings and weekends.
